

Community Disaster Resilience Planning Guide Resources

Skills and Knowledge Inventory Mail Out

Thank you for completing this inventory. We're interested in what skills your household has. We are asking these questions so that we can identify ways in which we can improve our community and work towards becoming a "Disaster Resilient Community." We would like you to answer some questions about your household's skills and where you have used them.

Part One: Skills Information

This is a long list of skills – we really are interested in all of your skills and abilities. They may have been learned through experience in the home or with the family, skills you've learned at work, school or in the community. Please tick the boxes that apply to **your household**.

Health

1. Caring for the Elderly	
2. Caring for the Mentally Ill
